

Dual Use Court Rules

Springville Park

When unreserved courts are full, the following rules will be followed:

- **Courts are on a First-Come, First-Served basis.**
- **Existing players may finish their current game to 11 or win by 2 points, and may play a second game following the same rules.**
- **Players waiting for an unreserved court should place paddles in provided rack, in order of arrival. Once a paddle is in the saddle, a 2-game maximum play goes into effect for existing players.**
- **After the second game, waiting players rotate in.**
