For authorized air travel, the District reserves coach rate seats at government or group rates (when such rates are available) and makes every effort to schedule reasonable flight times. Seat upgrades or flight/schedule changes unrelated to District business are not approved expenses and become the responsibility of the District Employee or Official. Refundable tickets are required unless approved by the General Manager or designee.

It is the intent of the District to book all air travel on the District's credit card unless otherwise approved by the General Manager or designee.

In the event a District Employee or Official has to book their own air travel, with prior written approval of the General Manager, Coach-class priced airfare on round-trip tickets, or one-way (both directions) whichever is most cost effective, shall be purchased. Every attempt should be made to secure advance pricing.

### **4.3 GROUND TRANSPORTATION & RENTAL CAR**

The District makes every effort to reserve appropriate ground transportation for traveling employees (*e.g., airport shuttle, rental car*). When that is not

possible, District Employees and Officials may claim reimbursement for ground transportation according to the following:

Car Rental. Car rental rates that are equal to or less than those available through travel-pricing comparison websites such as [www.priceline.com](http://www.priceline.com) or an equivalent service for a standard or mid-size vehicle shall be considered the most economical and reasonable for purposes of reimbursement under this policy. However, when the number of employees or officials attending the event and sharing the vehicle warrants the rental of a van or other larger capacity vehicle or when the weather in the location of the event warrants the use of a SUV, the rental of such a vehicle, through the process described above, shall be considered reasonable.

Taxis/Shuttles/Ride Share. Taxi, shuttle, or ride share fares may be reimbursed, including a 15% gratuity per fare, when the cost of such fares is equal or less than the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time efficiency.

#### **4.4 LODGING**

The District shall make every effort to pre-arrange appropriate lodging using government or group rates, when available, *for* approved travel. When that is not possible, with prior written approval of the General Manager or designee, District Employees and Officials may reserve reasonable lodging, and claim reimbursement for such lodging in accordance with this section and with appropriate receipts.

If a group rate or government rate is not available, lodging rates that do not exceed the median retail price for 3-Star upscale (such as Holiday Inn, Red Lion, Radisson, Doubletree-grade hotel) lodging for that area listed on travel-pricing comparison websites like [www.priceline.com](http://www.priceline.com) or an equivalent service shall be considered reasonable and reimbursable.

Any lodging upgrades made by District Employees or Officials in excess of approved lodging rates are not approved and become the responsibility of the District Employee or Official.

#### **4.5 MEALS**

Daily reimbursement rates for meals will follow the department of General Services for the nearest city's per diem rates.  
<https://www.gsa.gov/travel/plan-book/per-diem-rates>

Eligible meals are defined as meals for which a District Employee or Official incurs a cost due to a valid and authorized business reason (*e.g., overnight travel, business meeting, special dietary requirements that cannot be accommodated, meal not covered by conference fee, etc.*). Meals provided as part of a conference or seminar are not eligible for separate reimbursement.

Reimbursement requests for approved meal expenses must be submitted with itemized receipts. The District does not reimburse for alcoholic beverages.

An increased or decreased meal allowance may be considered when traveling to remote or metropolitan areas. Any changes must be pre-approved by the General Manger or designee prior to travel.

#### **4.6 INCIDENTALS**

District Employees and Officials are eligible for reimbursement for incidentals up to \$5.00 per day while on District business travel. Incidentals may include such items as tips (not to exceed 15%), soft drinks, postage, etc. Items such as gifts, entertainment (including in-room movies), alcohol, or other similar items are not reimbursable. Itemized receipts and/or an approved written list of expenses will be required for reimbursement.

Parking fees shall be reimbursed when related to District business travel, including airport parking fees, and parking fees for personal or rental vehicles.

#### **4.7 TELEPHONE CALLS**

The District will reimburse one (1) 15-minute telephone call per day while an employee is on official business. If the employee receives a cell phone stipend they will not be reimbursed, if an employee does not receive a cell phone stipend they will receive \$2.00 per day.

#### **4.8 TRAVEL TIME**

Travel time occurring during District Employee's or Official's scheduled time off, on a designated District holiday, or outside the District Employee's or Official's regularly scheduled work time will not be compensated for overtime. The only exception of this will be when travel is required by the District related to the performance of the District Employee's or Official's job duties and the overtime is authorized and approved prior to the travel by the General Manager or their designee.

#### **4.9 COMBINED PERSONAL/BUSINESS TRAVEL**

- Detailed request by District Employee or Official must be made in writing to the Department Head prior to travel dates, with a clear differentiating between personal and business travel and receive approval from the General Manager.
- District Employees or Officials who extend the length of the business trip for personal reasons must charge those days to an available leave balance, such as vacation, management leave, or compensatory time.
- District Employees or Officials who attend conferences or seminars and leave early for personal reasons other than illness or family emergency, shall reimburse the District on a pro-rated basis.

- Any additional travel cost or lodging expenses incurred as a result of extending the length of any business trip for personal reasons shall not be reimbursed or paid for by the District Employee or Official.
- District Employees or Officials who have a rental car and are extending their business trip for personal reasons will not be reimbursed for the extra rental days.
- Any expenses inadvertently charged to the District for personal travel must be repaid by the employee who incurred the charges within thirty (30) days of return.

## **SECTION 5: REIMBURSEMENT**

### **5.1 REIMBURSEMENT**

For all reimbursement requests, District Employees and Officials shall complete a Claim for Reimbursement of Travel Expense Form to document that expenses meet this Policy and are required to conduct District business.

Claim forms shall be submitted within thirty (30) days of incurring an expense and shall be accompanied by receipts documenting each expense. Upon appropriate written approval, District Employees and Officials will be reimbursed as quickly as possible. Personal items, alcoholic beverages, and expenses of family members are not authorized.

## **SECTION 6: BOARD OF DIRECTORS**

### **6.1 BOARD OF DIRECTORS**

The General Manager shall review Board members' requests for travel and incidental expenses for compliance with this Travel Policy and other applicable District policies. All expenses that do not fall within this Travel Policy or the Internal Revenue Service reimbursable rates as established in IRS Publication 463, or any successor publication, shall be approved by the Board of Directors at a public meeting before the expense is incurred. (GC 53232.2(f))

If a member of the Board of Directors chooses to incur travel or incidental costs that are in excess of the rates established under this Policy or IRS Publication 463, or any successor publication, and such costs have not been pre-approved at a public meeting of the Board of Directors, the member does so at their own expense. (GC 53232.2(g))

Members of the Board of Directors shall provide brief reports on meetings or other events attended at the expense of the District at the next regular meeting of the Board. (GC 53232.2(d))
